Truck Mechanics Brisbane

Description

About us

SuperService™ is a rapidly growing service provider for Trucks and Heavy Transport

Due to our continued growth and expansion, we are eagerly looking for an experienced Heavy Diesel Truck Mechanic to be based at our Underwood 4119 QLD workshop.

We have both Workshop and Field Service roles

Role requirements:

- Inspection, servicing & repairs
- Deliver the highest quality of work ensuring machines are returned with zero defects.

To be considered for this role you should have:

- Experience with Trucks, Trailers
- Forestry equipment knowledge (preferred but not essential)
- Ability to learn new equipment
- Heavy Diesel background
- Minimum 4 year experience working in similar industry
- Hydraulic knowledge
- Drivers Licence (Open) – Manual Vehicle
- HR Licence (preferred but not essential)
- High Risk Licence – Forklift, Boom, Scissor (not essential but preferred)
- Good communication skills
- Own tooling
- Attention for detail and problem solving skills
- Ability to work autonomously, alone or in a team environment

In return you will be provided an excellent remuneration including the following:

- Safe and Friendly Work Environment
- Service Ute (field service role)
- Regular overtime
- Employee recognition rewards, Birthday – Yearly Anniversary
- Opportunity to progress through the company
- Variety of different equipment
- We are also looking for Earthmoving Mechanics and Auto Electricians

Only suitable applicants will be contacted

Applicant must be prepared to undergo a pre-employment medical including drug and alcohol screening

It would be appreciated if Recruitment Agencies do not contact us in regard to this position.
